

Remarks

The Office Action mailed September 19, 2005 has been carefully considered. After such consideration, the title and specification have been amended pursuant to MPEP 1610 and 37 C.F.R. 1.163(a) respectively. The title now relates to the entire plant, as required by MPEP 1610. And, it is respectfully submitted that the specification now presents a full and complete botanical description and sets for the characteristics that distinguish the new variety over related known varieties, as required by rule 163(a). Further, the claim has been provided on a separate page pursuant to MPEP 608.01(m). As such, applicant respectfully requests reconsideration.

Please do not hesitate to contact me if I can be of further assistance.

Respectfully submitted,
